Overview

The Baldwin Insurance Customer Information Portal is a secure, online system that allows customers to submit their insurance information through an easy-to-use web form. This guide covers both the admin dashboard (for Baldwin Insurance staff) and the customer-facing forms.

Portal URL: `https://baldwin.claysites.com``

System Features

- **Secure Token-Based Access** - Customers receive unique links via email
- **Two Comprehensive Forms** - Customer Information & Property Information
- **Admin Dashboard** - View, manage, and export all submissions
- **Dynamic Tables** - Add/remove household members and vehicles as needed
- **Mobile-Friendly** - Works on phones, tablets, and desktops
- **Progress Tracking** - Clear step indicators showing form completion

For Administrators

Admin Login

1. Navigate to `https://baldwin.claysites.com`
2. You will see the **Admin Login** screen
3. Enter your credentials:
 - **Username:** `admin`
 - **Password:** (your assigned admin password)
4. Click **Login**

You will now see the **Admin Dashboard**.

Admin Dashboard Overview

The admin dashboard is your control center for managing customer submissions.

Dashboard Components

Top Navigation Buttons:

- **Refresh** - Reload the submission list to see new forms
- **Create Invitation** - Send a customer a form link
